**Policy Press | Transitions and the Lifecourse ...**

Sociological and political notions of structure also challenge questions about the importance of agency and identity in transitions because they challenge the ways in which some groups are seen as able to manage life, work and educational transitions whilst others are not, thereby raising questions about inequality.

**Transitions through the lifecourse: political ...**

Transitions and the Lifecourse investigates and challenges dominant interpretations of transitions in late life. Amanda Grenier takes a cross-national and interdisciplinary comparative approach to the topic of aging and the life course, yielding a fresh perspective on these transitions as well as considering some innovative strategies for addressing concerns related to them.

**Transitions and the Lifecourse : Challenging the ...**

The idea that lifecourse transitions might offer 'moments of change' in which to encourage more sustainable consumption is popular. However, insights from the sociological literature on lifecourse transitions have rarely been brought to bear on this assumption, and little research explores how everyday consumption may change through such transitions.

**Are lifecourse transitions opportunities for moving to ...**

The life changes involved in transitions occur because of social, historical, and other outside influences. Some of these are predictable, such as graduating from high school at about age 18, and...

**10 Ways to Make It Through Your Life's Transitions ...**

Transitions and Learning Through the Lifecourse examines transitions across a range of education, life and work settings. It explores the claim that successful transitions are essential for educational inclusion, social achievement, and economic prosperity and that individuals and institutions need to manage them more effectively.

### **Transitions and Learning through the Lifecourse | Taylor ...**

We demonstrate how the experienced lifecourse is built around both negative and positive turning points and transitions which go beyond the classical education-work-retirement triumvirate, and how socio-cultural life scripts are used as a framework to build one's own life story in order to achieve continuity.

### **Exploring underexposed stories: the experienced lifecourse ...**

One suggestion that has attraction across disciplinary boundaries, is that lifecourse transitions might provide periods in individuals' lives when changes in consumption practice might more easily take hold. Recent psychological work focuses on the disruption of everyday routines which often accompanies a lifecourse transition.

### **Transitions and Learning Through the Lifecourse**

While such events and transitions may be positive, in terms of the resources and opportunities that they provide, they may also be more challenging and result in reduced well-being. Consideration of this aspect of the life course can produce rich accounts of the diversity of life experiences across a community of citizens.
